

Outdoor 2026
**PACIFIC HOME
& GARDEN**

*Experience
the artistry of
outdoor living*

Dear Valued Customer,

As we prepare for the upcoming season, we want to thank you for your continued partnership and support.

Due to rising tariffs, a 10% surcharge will be added to our current 2025 price list. You will have the opportunity to review and approve pricing before any sales orders are finalized.

This adjustment allows us to maintain the high quality, availability, and service you've come to expect from Pacific Home & Garden.

We're looking forward to a successful season together!

Warmly,

The Pacific Home & Garden Team

www.pacifichomeandgarden.com

For 20 years, Pacific Home & Garden has been dedicated to creating beautiful, high-quality products that inspire and elevate spaces. Through challenges and growth, our passion for craftsmanship and design has remained at the heart of everything we do. We are proud of our journey, but more importantly, we are grateful for the loyal customers and partners who have supported us along the way.

In an increasingly digital world, we believe in the power of experiencing design firsthand—seeing, touching, and feeling the artistry in every piece. The connection between people, nature, and thoughtfully crafted products is irreplaceable. That's why we continue to focus on timeless design, quality materials, and a seamless blend of tradition and innovation.

This catalog is more than a collection of products—it's a reflection of the creativity, inspiration, and feedback from those who have helped shape our journey. Whether you are a longtime partner or discovering us for the first time, we invite you to explore our offerings and experience the craftsmanship that defines Pacific Home & Garden.

Thank you for being part of our story...
