

Pacific Home & Garden

Pallet Program **2026**

Dear Valued Customer,

As we prepare for the upcoming season, we want to thank you for your continued partnership and support.

Due to rising tariffs, a 10% surcharge will be added to our current 2025 price list. You will have the opportunity to review and approve pricing before any sales orders are finalized.

This adjustment allows us to maintain the high quality, availability, and service you've come to expect from Pacific Home & Garden.

We're looking forward to a successful season together!

Warmly,

The Pacific Home & Garden Team

Introducing Tierra Luz (pronounced tee-AIR-ah LOOS)

Tierra Luz “Earth & Light” - a poetic nod to the natural clay base (earth) and the vibrant glazes (light). It evokes the visual contrast that defines the collection. It represents the union of grounded natural materials and vibrant, expressive color of Spain.

Developed by the PHG Design Team, this exclusive collection honors the layered history of Spanish and Mexican ceramics, blending **matte clay textures** with radiant glaze details. From subtle surface depth to bold graphics, each piece in the Tierra Luz collection evokes the feeling of **sunlit landscapes, artful living, and timeless craftsmanship**. This is more than pottery - it's light captured in clay.
